GEOGRID

Smart use of geothermal energy for the energy transition

FEBRUARY 7th 2022

3.00 pm - 4.30 pm Dubai time / 12.00 pm - 1.30 pm CET

GeoGRID is a R&D project co-funded by the EU and the Regione Campania, focused on the innovative use of geothermal energy for reducing the environmental impact of energy use and production. The workshop presents the project, some results obtained for air conditioning in buildings and the benefits of geothermal energy for the green transition.

Venue **Accademia** - Italy Pavilion

Language English

Age **16+**

Important COVID-19 Precautions for Entry: All attendees must show a valid COVID-19 PCR test taken within 72 hours to access the event.
