CROSSING BOUNDARIES THROUGH **CULTURALLY INTELLIGENT FACILITATORS:**

Thinking and Acting a Cross Cultural Negotiation

FEBRUARY 8th 2022

10.00 am - 4.00 pm Dubai time / 7.00 am - 1.00 pm CET

The specific purposes of the event are twofold: 1) to enhance the cultural awareness of all the students involved and their basic skills required in intercultural negotiations; 2) to develop skills necessary for understanding the problems of interaction in multicultural teams (innovative, virtual, face to face). The two international parts - Emirati and Italian young people simulating two negotiating parties - have to set the terms for closing a joint venture: differences and similarities in cultural perspective are crucial. The ultimate goal is to spread the relevance of a key figure to overcome cultural barriers: the Facilitator as a Cultural Ambassador. The young people recruited for this role will be guided in carrying out all the phases of the simulation game in which all the other young people involved in the online connection participate.
